

Positive Mental Health Conversations

Live Online Workshop

Overview

This interactive workshop is designed to support more open conversations in the workplace. The goal is to make mental health conversations that little bit easier by discussing what mental health is and the importance of authenticity, language and listening to your colleagues. Attendees will also be introduced to an internationally recognised and practical framework for supporting positive mental wellbeing.

Workshop Structure

Who will benefit?

- HR professionals and senior leaders
- Line Managers
- Office, Facilities and Health & Safety managers
- Anyone that is interested in understanding how to have better conversations around mental health

Managing Expectations

It's important to note that no one will emerge from this workshop as a skilled psychologist or an expert in mental health. Attendees will not be equipped to solution any mental health challenges their colleagues are facing, that is the remit of professionals. The workshop serves as a way to de-stigmatise mental health and promote more positive mental health conversations within the work environment.

Logistics

- 2-hour interactive online workshop (Zoom is preferred)
- Max of 15 attendees (8-12 is optimum for interaction)
- Price: €1,599.00 which will include all group activity outputs
